

Look at me!

Children, children.

Look at me!

I'm looking at you.

I'm looking at you.

How do you do?

Message to parents: Good speech and language starts with good looking and listening. Please encourage your child to look at you when speaking, to look at you when they are listening and vice a versa. **GOOD LOOKING** is one of our special rules. You can make this song into a game by changing the word children to a family member e.g. Grandpa, Grandpa Look at me! Or Mummy, Mummy. Look at me! **Most importantly have fun with your rhymes and activities.**

One, two, three. Look at me.

One, two, three. Look at me.

Can you see my eyes?

Can you see me?

One, two, three. Look at me.

Are you sitting still?

And quietly.

One, two, three. Look at me.

Are you thinking hard?

Are your ears free?

One, two, three. Look at me.

Good listening is easy

as can be.
