

Useful maths websites

Topmarks maths

Range of games separated into skills.

<https://www.topmarks.co.uk/maths-games>

BBC bitesize

Contains short videos that can be useful as revision and games for early years (Bud's number garden) and key stage 1 (Karate cats maths)

<https://www.bbc.co.uk/bitesize/subjects/zjxhfg8>

Maths is fun

Range of games, but needs adult support to navigate

<https://www.mathsisfun.com/>

IXL maths

Lots of quizzes, split by year group and skill but requires adult to navigate

<https://uk.ixl.com/maths>

ICT maths games

Range of games for children to access.

<https://www.ictgames.com/>

Free maths games

Range of games for all year groups.

<https://uk.free-maths.games/>

Whiterose Minute maths app

Supported by National centre for excellent teaching of mathematics (NCETM).

New app that has just been released, so far seems quick and easy to use, and provides practise of skills for different year groups and abilities.

Download from app store
