

Evidencing the Impact of Primary PE and Sport Premium

DfE Vision for the Primary PE and Sport Premium: “*ALL* pupils leaving primary school *physically literate* and with the *knowledge, skills and motivation* necessary to equip them for a *healthy, active lifestyle* and *lifelong participation* in physical activity and sport”

Objective: To achieve **self-sustaining improvement** in the quality of PE & sport in primary schools against

Measure against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Statutory requirement of Ofsted to ensure that your Primary PE and Sport Premium spend and priorities is included on your school website. We recommend that you use the Improvement Plan template (below) to serve that purpose. Re-visit the grey boxes on a termly basis, to review and plan.

You should use the premium funding to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work **with** teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and C4L clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

You should not use your premium funding to:

- employ coaches or specialist teachers to cover PPA arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the National Curriculum – including those specified for swimming
