Phonics text

Read Write Inc. Phonics is used by over a quarter of the UK's primary schools. It is a comprehensive literacy programme, weaving decoding, comprehension, writing and spelling together seamlessly. Ruth Miskin developed the programme during her time as a headteacher in Tower Hamlets. She believes that in order for a school to be successful, every headteacher needs to adopt a consistent whole-school approach to teaching reading, writing and spelling. Fidelity to the teaching programme, rigorous assessment, tracking and one-to-one tutoring ensure that schools guarantee progress for every child.

Literacy & Language text

Read Write Inc. Literacy & Language meets the demands of the new national curriculum in a fun and meaningful way. It is a complete literacy programme addressing the grammar and punctuation aspects of the new statutory assessments and raising attainment for all children. Drama and discussion are an integral part of the programme: Literacy & Language children love writing because they have a lot to say.
