

Launch: Eggs in an Incubator

Understanding the World:

- Explore animals and their young
- Investigate the needs and care of animals
- Continue to monitor our bean plants, observing their growth and compare the results from the different beans
- Explore plants, our sense of smell, sight, feel and taste
- Use I pads to capture memories and use the paint program on the computer to enhance our photos
- Program Bee bots to manoeuvre a pathway
- Investigate the impact of an environmental factor - rubbish etc.
- Follow directions and create simple maps
- Examine artefacts from the past

Literacy:

- Read instructions to play games, reading text to match to pictures.
- Write lists, fact books, simple class stories

Living and Growing Summer 1

Personal, Social and Emotional Development:
