

Dear Parents and Carers,

We have been asked by the London Borough of Hounslow to forward you the following information:

The London Borough of Hounslow is consulting on their admission arrangements for Community Schools for 2027 -2028.

There are no changes to the admission criteria from 2026. All dates have been updated to reflect the 2027-2028 admissions round.

To help mitigate the impact of the decline in pupil numbers on schools' budgets and resources, the Local Authority is proposing a reduction to the Published Admission Number (PAN) for the following schools for the 2027/28 academic year.

- Beavers Community Primary School- reducing from 90 to 60
- **Cardinal Primary School – reducing from 90 to 60**
- Lionel Primary School – reducing from 90 to 60
- Marlborough Primary School – reducing from 90 to 60
- Norwood Green Infant and Nursery School – reducing from 120 to 90
- The Orchard Primary School – reducing from 90 to 60
- Southville Primary School – reducing from 90 to 60
- Springwell School – reducing from 90 to 60

The consultation will run from **16 October 2025 – 4 December 2025**.

Comments can be made via

- our online survey (see link below)
- email to admissions@hounslow.gov.uk
- writing to School Admissions Team, London Borough of Hounslow, Hounslow House, 7 Bath Road, Hounslow, TW3 3EB
