We have almost come to the end of Summer 1, with only one more half term remaining of this academic year.

We would like to say a HUGE thank you to our Year 6 pupils. The amount of positivity, resilience and effort they put into their SATs test last week was incredible to see. We rewarded them with a trip to bowling, which they were all grateful for. Thank you Miss Trew for organising such a well-deserved reward.

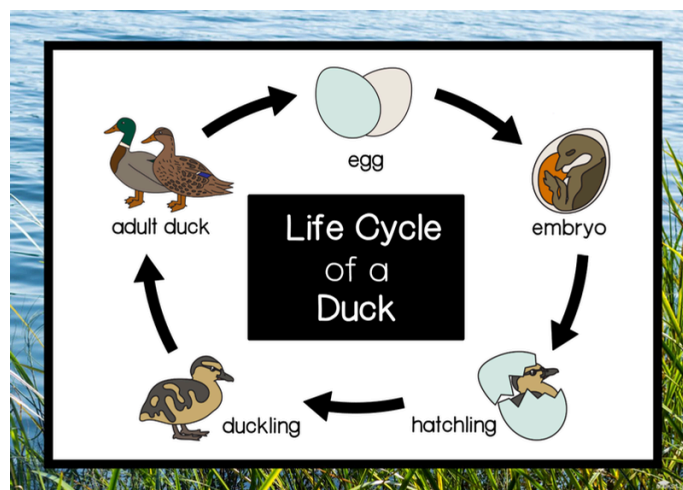

Reception News

Reception have been learning about the life cycle of a duck.

We observed the ducklings hatching out of their eggs and looked after the ducklings once they had hatched.

We loved handling the ducks and watching them jump in and out of the water in the paddling pool. We were sad to see them go when they were picked up to go back to the farm.
