Welcome back to our final part of the Summer Term. We are sure it is going to be a busy, fun-packed and emotional time for us all!

## Music News

Cardinal Primary School's KS2 pupils were fortunate enough to be selected to take part in a Playground Proms event on Monday 1st June.

Inspired by the BBC Proms and delivered by professional musicians from Graffiti Classics and Dalcroze UK, the programme helped break down social and cultural barriers through joyful, creative workshops delivered directly in schools and communities. Its aim was to inspire the professional musicians of the future.

Playground Proms is a registered charity dedicated to bringing high-quality, inclusive classical music experiences to children who might not otherwise have the opportunity to experience live music.

As part of the event, the Year 6 children wrote the second verse of the Prom Anthem, and all pupils learned the lyrics so they could sing along during the performance. The words

were sent home with a QR code, allowing families to listen to the music and practise together.

The children thoroughly enjoyed the experience and had a wonderful opportunity to perform alongside professional musicians.
