## 1. Introduction and Aims

At Cardinal Primary School, we aim for all pupils to be the best versions of themselves. This is in line with our motto and values.

### The School Motto:

Resilient Minds, Respectful Hearts

### The School Values:

- Respect
- Resilience
- Responsibility
- Curiosity
- Community

### Our policy is based on the belief that:

- Excellent behaviour is not automatically learned but needs to be taught and supported by parents/carers.
- Behaviour can change and that we as staff can assist children to manage their behaviour more effectively.
- It is important to adopt a restorative, relationship-focused approach to behaviour management. This will enable pupils at Cardinal Primary School to experience a calm, nurturing, and caring environment, supporting them both emotionally and academically and giving every child the best possible chance of success.

### This policy aims to:

- For staff to try to raise the levels of pupils' self-esteem. For staff to project themselves as good role models, co-operating and supporting one another, and treating colleagues and pupils with courtesy, consideration and respect.
- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment.
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school.
- Outline the expectations and consequences of behaviour.
- Provide a consistent approach to behaviour management that is applied equally to all pupils.
- To encourage school/parental/carers partnership, to promote children's education and maintain standards of behaviour.
- To consistently and fairly implement reward and sanctions systems.
- Define what we consider to be unacceptable behaviour, including bullying and discrimination.

## 2. Legislation, statutory requirements and guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

- [Behaviour in schools: advice for headteachers and school staff](#)
- [Searching, screening and confiscation: advice for schools](#)

- [The Equality Act 2010](#)
- [Keeping Children Safe in Education](#)
- [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)
- [Restrictive interventions, including the use of reasonable force, in schools](#)
- [Supporting pupils with medical conditions at school](#)
- [Special Educational Needs and Disability \(SEND\) Code of Practice](#)
- [Sharing nudes and semi-nudes: advice for education settings working with children and young people](#)

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88 to 94 of the [Education and Inspections Act 2006](#), which requires schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and gives schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools must publish their behaviour policy online

### 3. Our Approach

At Cardinal Primary School, we have high expectations for all pupils. This is promoted through our school motto and values.

The way pupils behave at school can have a lasting impact on their life chances, outcomes and impact others around them as well as making their time at school more enjoyable. Through actively learning self-governing behaviours, pupils will become more socially adept and better able to respond to the challenges they will face beyond their time with us.

We place relationships between all parties at the heart of everything we do to create and maintain the culture we want to see together.

What we believe in affects how we behave. At Cardinal Primary School, we believe that learning to behave well can make your time at school more fun but also helps you to lead a positive and happy life once you leave school.

Positive relationships are at the heart of everything that we do.

### 4. Roles and responsibilities

#### 4.1 The governing board

The governing board is responsible for:

- Reviewing and approving the written statement of behaviour principles (appendix 1)
- Reviewing this behaviour policy in conjunction with the headteacher
- Monitoring the policy's effectiveness

#### 4.2 The headteacher

The headteacher is responsible for:

- Reviewing this policy in conjunction with the governing board

- Approving this policy
- Ensuring that the school environment encourages positive behaviour
- Ensuring that staff deal effectively with poor behaviour
- Monitoring that the policy is implemented by staff consistently with all groups of pupils
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary

### **4.3 Staff**

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Establishing and maintaining clear boundaries of acceptable pupil behaviour
- Implementing the behaviour policy consistently
- Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils
- Modelling expected behaviour and positive relationships
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recognising hidden stressors for vulnerable pupils, such as young carers or looked-after children, to ensure empathetic and supportive responses to their behaviour
- Considering the impact of their own behaviour on the school culture and how they can uphold school rules and expectations
- Using de-escalation techniques and positive behaviour management strategies to try to minimise and prevent the need for restrictive interventions
- Recording behaviour incidents promptly
- Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

### **4.4 Parents and carers**

Parents and carers should:

- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions)
- Work in partnership with the school
- Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

## 4.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy
- The school's key rules and routines
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

## 5. School behaviour curriculum

While the stepped approach to behaviour is appropriate in the vast majority of cases, there are situations where it is necessary to issue immediate or further sanctions or consequences. This depends on the behaviours displayed, the context of the incident and the previous history of the pupil. With every incident, staff are encouraged to use their professional judgement, acknowledging that there may be mitigating or aggravating factors in individual cases.

Pupils are expected to:

- Focus on their learning and positive relationships with others
- Show respect to all members of staff and each other
- Develop relationships and attitudes that demonstrate respect and readiness to learn
- Show independence as they move quietly around the classroom and school
- Line up calmly and quietly, demonstrating they are ready
- Leave learning spaces in a calm and orderly manner
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Contribute positively to class discussions
- Cooperate fully with staff regarding advice and support given
- Behave in a way that supports the school's expectations when outside school boundaries (e.g. on trips)
- Be polite, kind and thoughtful to all members of the school community, including when outside school or online

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

### 5.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged

- Display the behaviour curriculum
- Develop a positive relationship with pupils, which may include:
  - Greeting pupils in the morning/at the start of lessons
  - Establishing clear routines
  - Using the 'Show Me Ten' signal
  - Communicating expectations of behaviour in ways other than verbally
  - Highlighting and promoting good behaviour
  - Concluding the day positively and starting the next day afresh
  - Having a plan for dealing with low-level disruption
  - Using positive reinforcement

## 5.2 Safeguarding

The school recognises that:

- Changes in behaviour may be an indicator that a pupil is in need of help or protection
- Specific circumstances, such as being a young carer, looked-after child, or living in a vulnerable household, can significantly affect behaviour

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

## 5.3 Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- Verbal praise
- Communicating praise to parents/carers
- Weekly Star of the Week
- House points
- Half termly rewards
- At times, other reward systems may be put in place, for example, handwriting badges, PE certificates, writing certificates and other incentives in response to different cohort needs and new initiatives.

These rewards will be applied fairly and consistently whether they are appropriate for a group of pupils, a class, a year group, a key stage or the whole school. They will have been agreed by a member of the Senior Leadership team.

## 5.4 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising, including situations where staff may need to use a restrictive intervention. See our policy on the use of restrictive interventions for more detail on prevention and de-escalation strategies.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified (e.g. whether a pupil has specific vulnerabilities) and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

The school may use 1 or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand and reminder of the expectations of behaviour
- Time out within the classroom or with an adult
- Time out in another class
- Setting of written tasks such as an account of their behaviour
- Expecting work to be completed at home, or at break or lunchtime
- A period of time with an adult at break or lunchtime
- Referring the pupil to a senior member of staff
- Letter or phone call home to parents/carers
- Being on a pastoral support plan
- Putting a pupil 'on report'
- Internal exclusion
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions. Where appropriate, staff will liaise with the Inclusion Lead and DSL to help determine an appropriate sanction. Decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information.

## **5.5 Restrictive interventions, including use of reasonable force**

Our approach to restrictive interventions follows the [DfE's latest guidance on restrictive interventions](#).

Restrictive interventions are used to prevent, restrict, or subdue movement of the body or part of the body of a pupil. It describes both physical and non-physical actions aimed to restrain pupils in different ways.

Our staff understand that any form of force or restraint carries a risk of physical and psychological harm, so we always avoid using these measures where possible.

### **5.5.1 Reasonable force**

Reasonable force covers a broad range of actions used by staff that involve a degree of physical contact to restrain pupils, using no more force than is needed for the least amount of time, the application of which will depend on the circumstances.

All members of staff have a legal power to use reasonable force in certain situations, to prevent a pupil from:

- Hurting themselves or others
- Committing a criminal offence
- Damaging property
- Causing disorder among pupils, in or out of lessons

Reasonable force must:

- Always be used as a last resort
- Be used in a way that maintains the safety and dignity of all concerned
- **Never** be used as a form of punishment
- **Never** involve restraining a pupil in a way that affects their airway, breathing or circulation, for example by covering their nose and/or mouth or applying pressure to their neck or abdomen
- **Never** be used if the pupil is on the ground. If a pupil is unintentionally held on the ground, staff should release their hold or move into a safer position as quickly as possible

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

Please see our restrictive intervention policy for more information.

## 5.6 Searching, screening and confiscation

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

### Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

### Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil’s co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the headteacher, to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

An authorised member of staff may search a pupil’s outer clothing, pockets, possessions, desk or locker.

‘Outer clothing’ includes:

- Any item of clothing that isn’t worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

### **Searching pupils’ possessions**

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil’s possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil’s possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

### **Informing the designated safeguarding lead (DSL)**

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

### **Informing parents/carers**

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

### **Support after a search**

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

## **5.7 Child-on-child abuse**

We recognise that children are capable of abusing their peers. Abuse will never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up", as this can lead to a culture of unacceptable behaviours and an unsafe environment for pupils.

All child-on-child abuse is unacceptable and will be taken seriously.

Most cases of pupils hurting other pupils will be dealt with under this policy.

Where allegations raise safeguarding concerns, this will be managed under our safeguarding policy. Our safeguarding policy contains further information on how we prevent and manage incidents of child-on-child abuse.

## **5.8 Off-site misbehaviour**

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

## 5.9 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

## 5.10 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher or a member of the senior leadership team will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

## 5.11 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
  - Manage the incident internally
  - Refer to early help
  - Refer to children's social care
  - Report to the police

Please refer to our child protection and safeguarding policy for more information.

## 5.12 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children’s social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

## 6. Bullying

**Bullying** is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power. This includes any sort of child-on-child abuse.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

The school does not tolerate bullying of any kind. If potential bullying is reported by pupils, parents or staff, it will be investigated and addressed as soon as possible.

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another’s belongings, any use of violence
Prejudice-based and discriminatory, including: <ul style="list-style-type: none"> <li>● Racial</li> <li>● Faith-based</li> <li>● Gendered (sexist)</li> <li>● Homophobic/biphobic</li> <li>● Transphobic</li> <li>● Disability-based</li> </ul>	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, sharing of nude or semi-nude images and/or videos (including pseudo-images, which are computer-generated images that otherwise appear to be a photograph or video), or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps, gaming sites, devices or via images, audio, video, or written content generated by artificial intelligence (AI)

## 6.1 Preventing bullying:

The school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others which will be upheld by all
- Work with staff and outside agencies to identify all forms of prejudice-driven bullying
- Actively provide systematic opportunities to develop pupils' social and emotional skills, including their resilience
- Provide a range of approaches for pupils, staff, parents and carers to access support and report concerns
- Challenge practice which does not uphold the values of tolerance, non-discrimination and respect towards others
- Consider all opportunities for addressing bullying in all forms throughout the curriculum and supported with a range of approaches consistent with the school's values; through class-based activities, displays, assemblies, peer support and pupil voice including ambassadors
- Regularly update and evaluate our approaches, to take into account the developments of technology, and provide up-to-date advice and education to all members of the community regarding positive online behaviour
- Train staff to identify all forms of bullying, follow the school policy and procedures (including addressing recording and reporting incidents)
- Proactively gather and record concerns and intelligence about bullying incidents and relationships so as to effectively develop strategies to prevent bullying from occurring
- Actively create 'safe spaces' for vulnerable pupils
- Celebrate success and achievements to promote and build a positive school environment; in line with the school's values

## 6.2 Responding to bullying:

The school does not tolerate bullying of any kind. If we discover that an act of bullying or intimidation has taken place, we act to stop any further occurrences of such behaviour. While it is very difficult to eradicate bullying, we do everything in our power to ensure that all pupils attend school free from fear. We establish the facts before deciding whether to investigate further or not.

- Use a variety of techniques to resolve the issues between those who bully and those who have been bullied
- Use appropriate sanctions and actions to safeguard individuals from exposure to bullying and monitor the situation
- Provide opportunities for those responsible for bullying to consider actions and relationships to change behaviours
- Work with other agencies and the wider school community to prevent and tackle concerns

## 7. Responding to misbehaviour from pupils with SEND

### 7.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND). Pupils with SEND may react to distressing or confusing situations by displaying behaviours which may be harmful to themselves and others. Pupils who have difficulty communicating verbally might show their needs and discomfort through their actions.

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support, including behaviour support plans where appropriate, to prevent these from occurring.

We will utilise staff who know individual pupils with SEND well to:

- Help identify and manage risk, such as trigger points when challenging behaviour is more likely to occur
- Develop proactive strategies to reduce the likelihood of restrictive interventions being used

We will also work with the pupil, their parents/carers and other professionals to develop prevention and de-escalation strategies.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

As part of meeting these duties, the school will anticipate, as far as possible, all likely stimuli and triggers for behaviour, and put in place support to address these. These actions may include:

- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload

## **7.2 Adapting sanctions for pupils with SEND**

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction
- The pupil was unable to act differently at the time as a result of their SEND
- The pupil was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

## **7.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND**

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

## **7.4 Pupils with an education, health and care (EHC) plan**

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

## **8. Supporting pupils following a sanction**

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

This could include measures such as:

- Reintegration meetings
- Daily contact with a member of SLT
- A report card with personalised behaviour goals

## **9. Pupil transition**

### **9.1 Inducting incoming pupils**

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

### **9.2 Preparing outgoing pupils for transition**

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

## **10. Training**

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The safe and lawful use of reasonable force and/or other restrictive interventions
- The needs of the pupils at the school
- How SEND, mental health needs and personal circumstances can impact behaviour
- Trauma-informed practice and behaviour management

Behaviour management will also form part of continuing professional development.

## **11. Monitoring arrangements**

### **11.1 Monitoring and evaluating behaviour**

The school will collect data on the following:

- Behavioural incidents
- Attendance, permanent exclusions and suspensions
- Use of pupil support units, off-site directions and managed moves
- Incidents involving restrictive intervention, including the use of reasonable force
- Incidents of searching, screening and confiscation
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors and other stakeholders (via anonymous surveys)

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

## **11.2 Monitoring this policy**

This behaviour policy will be reviewed by the headteacher and governors at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the governors annually.

## Appendix 1: written statement of behaviour principles

- Every pupil understands they have the right to feel safe, valued and respected, and to be able to learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination
- Staff and volunteers set an excellent example to pupils at all times
- Rewards and sanctions are used consistently by staff, in line with the behaviour policy
- Restrictive interventions, including reasonable force, are only used as a last resort, and in line with the policy
- The behaviour policy is understood by pupils and staff
- The exclusions policy explains that exclusions will only be used as a last resort, and outlines the processes involved in suspensions and exclusions
- Pupils are helped to take responsibility for their actions
- Families and carers are involved in the handling of behaviour incidents to foster good relationships between the school and pupils' home life

The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

This written statement of behaviour principles is reviewed and approved by the governing body annually.
