## Warmer Weather

## Yr2 Performances

Yr2 are performing two end of year concerts which parents and carers can attend.

One of these is for adults and younger children which will be at least 30min long. We recommend trying to make alternative arrangements for the siblings if possible. There is not room for buggies/prams to be taken into the hall but they can be left in the walkway.

The second performance is for adults only. Each family will be issued with two tickets. The tickets will be numbered and will be printed in the colour of your child's class. We will check these on your arrival. We will only accept tickets for your child.

Two adults from a family can attend one performance or one adult can attend the two performances. We look forward to seeing you there. Unfortunately, latecomers will not be admitted
