Riverbank

Concerns have been raised by adults that children are allowed to walk and play by the river bank. Please keep your children with you so they are safe. The land belongs to Royal Parks.

SCOOT/WALK/CYCLE TO SCHOOL BREAKFAST

Please ensure that you register your child for Scoot/Bike/Walk to Breakfast using the School Gateway App by Thursday 8 May so we can buy the appropriate amount of food needed for their breakfast. Reception, Yr1+ Yr2 are invited.

Walk to School Week

Please support this event. Your children will be rewarded with stickers etc throughout the week. This year's challenge will see pupils take on The Great Space Walk, encouraging them to travel actively to school every day of the week. Meeting various colourful intergalactic friends along the way, pupils will learn about the important reasons to walk or wheel and its benefits for individuals, communities and the planet! !

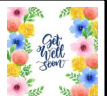

Reception Assembly

Parents and Carers are invited to attend the Reception Assembly. Please can just two adults attend from each family and if arrangements can be made for the smaller children that would be helpful. We have limited space in the hall. Thank you

Mrs Osei

Unfortunately, Mrs Osei is in hospital following a ruptured appendix. She has had several operations and is now on the road to recovery. She will be back in school as soon as she is able. I know you will join us in wishing her a speedy recovery.

Memories

Many of you will know of the recent tragic accident that resulted in the loss of three lives. Jimmy was a former pupil of Cardinal Road Nursery and Infant school and we have many happy memories. He was a friendly, happy child who took part in all school activities. Staff were saddened to hear of the incident. I know you will join us in offering our sincere condolences to the family and friends of Jimmy.

WARMER WEATHER

We will hopefully have some sunshine during the remainder of the summer term. Please remember that children do need to have their shoulders covered and sun hats are needed for protection on hot days. We do have sunhats for each class in school. It is advisable to apply sun screen to your child before they come to school on a hot day. Please also ensure that they wear suitable footwear. Our weather is changeable so it is always best to be prepared and to provide a coat. These can be left in their lockers.

GOVERNOR NEWS

We would like to confirm that Hounslow Cabinet Members have approved the Local Authority's proposal to merge Cardinal Road Infant & Nursery School and Victoria Junior School. The Decision Sheet is published on the Council's [website](#).

Star Player is the new afterschool provision providers who are based at Victoria Junior School. They will be offering a mix of football, multi sports, arts and crafts, movie and clubs. They are registered with Ofsted, and want to ensure the children have fun in a safe environment. The staff all have DBS checks. The provision is also for children of Cardinal Road in Reception, Yr1 and Yr2. They accept various methods for payments such as childcare vouchers, childcare grants, BACs and online payment. As they are Ofsted registered, if you are on inversely credit you can claim back up to 80% of the costs incurred for their afterschool services back (get in touch for details)
