It has been great to welcome everyone back to Cardinal Primary School. A very warm welcome goes out to our new pupils and families that have joined us in September.

Our newsletters are filled with important information, news and events so please read them carefully. It would be great if you could encourage other families to read them too!

Become a School Governor!

Are you interested in becoming a governor? Your experiences, ideas and perspective matter, and our diverse school community needs governors from all walks of life and with various professional skills, in particular finance.

You don't need to be an expert; just enthusiasm, commitment and a willingness to get involved. The role involves attending regular evening meetings, reviewing documents, some training, and giving your time to support the school during the day when needed.

Interested? Speak to the school office and register your interest. We'd love to hear from you!
