The Hounslow Parent/Carer Champion Network is led by trained parent/carers with lived experience who support other parent/carers in the community struggling with children who may be at risk of or have experienced violence, criminal exploitation, school exclusion, arrest, challenging behaviours and other issues.

We further support parent/carers who may have difficulty navigating systems of education, criminal justice & statutory services such as social or family care.

We offer help and hope.
We care and we empower.
We listen, we don't judge and we understand because we've been there too.
