Message from our Parent Governor

My name is Debbie and I am the parent of a child in year 2. I have been a parent governor at Cardinal Road since my child started in Reception and I have found it to be a very positive experience. We currently have a vacancy for an additional parent governor. Being a parent governor gives you a unique opportunity to find out what is happening in your child's school, plans for the future and the opportunity to ask questions and share ideas. You do not need to have any previous experience, specific skills or qualifications before you start however, you do have the opportunity to access training as part of the role. The requirement of the role is that you attend two meetings per term (one committee meeting and one full governing body meeting) which take place early evening. You can choose to sit on either the curriculum committee which focuses on what the children learn at school and how it is taught or the resources committee which covers the school building, staff and budget. The full governing board meeting provides an overview of the school and brings together updates from each committee. If you would like to find out more, or you are interested in the vacancy, please speak to Mrs Nowak, Mrs Osei or Ruth Stevens Chair of Governors.

Relief SMSA

Do you enjoy working with children and are you patient and caring?
We are looking for a Relief Midday Supervisor to work on an 'as and when needed' basis.
A DBS check will be necessary.

Please note:

The school operates a no smoking policy, and holidays in term-time are not permitted. Cardinal Road is committed to the safeguarding of all its pupils.
