Year 3 Shine at Feltham's Winter Lantern Carnival!

We are delighted to share that a group of our Year 3 children were selected to represent Cardinal Primary School at this year's A Winter's Night Carnival, organised by Feltham Arts.

As part of this exciting community event, the children took part in a special lantern-making workshop, where they had the opportunity to design and create their very own colourful lanterns. They showed great creativity, enthusiasm and teamwork as they brought their ideas to life, producing some beautiful and unique creations.

On Monday 16th November, the children proudly gathered to take part in the spectacular Winter Lantern Parade. Carrying their handmade lanterns, they joined the procession and helped illuminate the streets of Feltham with colour, light and festive spirit. It was a wonderful opportunity for the children to showcase their creativity, celebrate the local community and be part of such a special event.

We are incredibly proud of the children for representing Cardinal Primary School so confidently and positively. Experiences like this provide valuable opportunities for our pupils to develop their confidence, express themselves creatively and build a stronger connection with the wider community.

A huge thank you goes to the parents and families who joined us and supported the children throughout the event. Your encouragement and involvement helped make the experience even more memorable.

Well done, Year 3! You should all be very proud of yourselves. You truly helped light up Feltham!
