Year 6 - Art Trip

All three Year 6 classes visited Orleans House Gallery in Twickenham to consolidate their art learning. During the visit, the children took part in a Collagraph Printing workshop, with each class led by a different local artist. They enjoyed exploring the creative process and developing their understanding of printmaking.

The children made their own printing tile and created their own sketchbook, recording ideas and responding to the artwork around them. They also visited the gallery, where they saw a range of artwork and sculptures by the artist Ronald Moody. This provided an opportunity for them to make connections between their own artistic work and that of an established artist.

All the children thoroughly enjoyed the experience and participated enthusiastically throughout the day. The gallery staff also paid compliments to the children for their behaviour, which was lovely to hear and reflected the way they represented our school. Well done Year 6.
