This week on the junior site, we've been diving into the rich and inspiring world of black history. It's been a fantastic learning journey for the children, and we were thrilled to wrap it up with a brilliant performance hosted by our very own Laurel class!

The students delved deep into the lives and works of various artists throughout Year 6, and they shared their discoveries with us in such an engaging way. During the performance, we were treated to not only the fascinating facts and information they had uncovered but also some wonderful artwork they produced in their lessons. The creativity and enthusiasm shone through in every aspect!

The performance itself was a delight to watch, featuring vibrant costumes, pupils narrating their findings, and a song. It truly was a showcase of their hard work.

A big thank you to all the parents who came along to support the pupils in Laurel class. Your presence made the event even more special! Let's continue to celebrate and learn from each other's experiences as we move forward together.
